

ABLE (Song for Goran) Laura Sandage 2010 C major

VERSE 1: LAURA ONLY

Born into the world less perfect than the rest  
A man carves out his life differently  
My friend came home one night, he'd failed the doctor's test  
His vision disappearing, he would not see

CHORUS 1: MOSTLY LAURA

He had a choice to make; he had a chance to take  
A bottle of red wine upon the table  
To drink it down alone, or grab the telephone  
Call a friend to toast that he was able

**PARTS: Able to enjoy, able to connect**  
**Able to love and be loved (2x)**

VERSE 2: LAURA ONLY

Every life is bound to have its turning points  
Times of loss and times of limitation  
If we can learn to see with the eyes of my friend  
We can find a joy of our own creation

CHORUS 2: CHOIR SINGS!

**We have a choice to make; we have a chance to take**  
**A dream that we can follow just so far**

(LAURA ALONE) And when we don't succeed, still we've got all we need

**When we remember that we are (SPLIT INTO PARTS)**

**PARTS: Able to enjoy, able to connect**  
**Able to love and be loved (2x)**

BRIDGE: CHOIR KEEPS SINGING!

**B/T: He looks for the colors of the heart**

**S/A: He sees the rainbow of the spirit**

**ALL: His eyes are blind to what sets him apart**

**When I listen for his voice, I can hear it (SPLIT INTO PARTS)**

CHORUS 3: CHOIR SINGS LIKE A BOSS AND GETS CUDDLY!

**I have a choice to make (STEP FORWARD?)**

**I have a chance to take**

**A bottle of red wine upon the table**

(LAURA ALONE) To drink it down alone, or grab the telephone

**Call a friend to celebrate that I am able (gradually take hands/arms to end)**

**Able to enjoy, able to connect**

**Able to love and be loved (2x)**

**1 more time, ritard: Able to enjoy, able to connect, able to love and be loved.**
